DID YOU KNOW THAT OVER 80% OF ACTIVE YOUTH GROUP MEMBERS ARE NOWHERE TO BE FOUND WITHIN A YEAR AFTER HIGH SCHOOL GRADUATION?

George Barna defines the 3 most prevalent parenting styles:

1. ***Parenting By Default:*** (the path of least resistance) – parents do whatever comes naturally, influenced by cultural norms/traditions.
2. ***Trial-And-Error Parenting:*** - based on the notion that every parent is an amateur, and there are not absolute guidelines, so parents experiment, observe, etc.
3. ***Revolutionary Parenting:*** parents take God's Word on life and family at face value, and apply those words faithfully and consistently.
