There is a link on the ACS website under **RenWeb** that will get you started. When you get to the “RenWeb Parent Login,” NEW PARENTS should enter the District Code which is ACS-IL, your username is your email address, then click on the “Create New ParentsWeb Account.” Reenrolling families enter the district code and email address, and your password from last year. If that doesn’t work, just click “Forgot Username/Password” and a new password will be emailed to you. When logged in, take a moment to review your information in RenWeb, and make any changes....phone numbers, emergency contacts, etc. For your convenience, supply lists, handbooks, and calendars are now accessible on the school’s website, [www.aurorachristian.org](http://www.aurorachristian.org).
