Preschool Student Open House

Parents and students are welcome to visit their child's classroom anytime from 8-10 a.m. The students can meet their teacher, see what their classroom will look like, and meet some of their new classmates. This will help make the first day of school a little easier for your preschooler. Hope to see you all there!

Tuition & Fees

Tuition payments are due the first Friday of each month, beginning September thru May. Payments can be made in the office by credit card or directly on RenWeb. Remember there is a \$5 fee for all late payments. You will also see a one time \$175 book/material/activity fee on your account. This fee must be paid with your first tuition payment that is due September 2nd.

No School Days/Child Care

We will offer child care for Preschoolers thru 3rd graders for days on the school calendar that are "no school days". You can find this schedule and the registration form on RenWeb, or in the office.

Physicals and Immunizations

A current physical is required for all new students entering preschool. These must be turned in to the office no later than the first day of school. These are needed on file to be compliant with the Illinois Health Dept.

RenWeb

RenWeb is a parent website that will keep you connected with the teachers and school. You will also be able to view your financial information. There is a link on the ACS website under **RenWeb** that will get you started. When you get to the "RenWeb Parent Login," NEW PARENTS should enter the District Code which is ACS-IL, your username is your email address, then click on the "Create New ParentsWeb Account." Reenrolling families enter the district code and email address, and your password from last year. If that doesn't work, just click "Forgot Username/Password" and a new password will be emailed to you. When logged in, take a moment to review your information in RenWeb, and make any changes....phone numbers, emergency contacts, etc. For your convenience, supply lists, handbooks, and calendars are now accessible on the school's website, www.aurorachristian.org. The calendar is also on RenWeb.
